

Learning What is Addition

Use with the Little Wiggler What is Addition video on YouTube

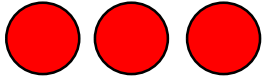

Solve the equation then write the number symbol in the box after the = symbol

$1 + 1 =$	
	
$1 + 1 + 1 =$	
	

Learning What is Addition

Use with the Little Wiggler What is Addition video on YouTube

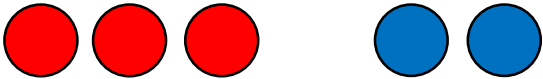

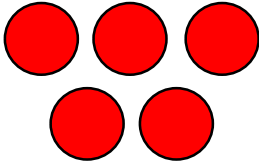

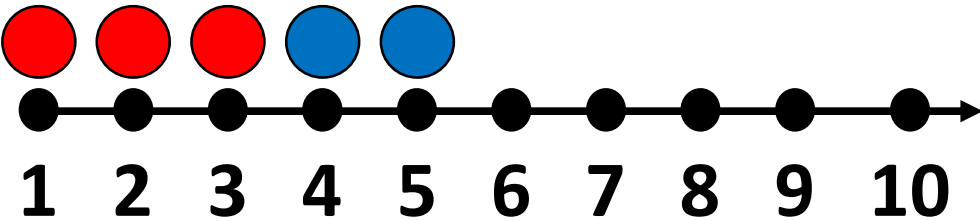

Solve the equation then write the number symbol in the box after the = symbol

$2 + 1 =$	
	
$1 + 2 =$	
	

Learning What is Addition

Use with the Little Wiggler What is Addition video on YouTube

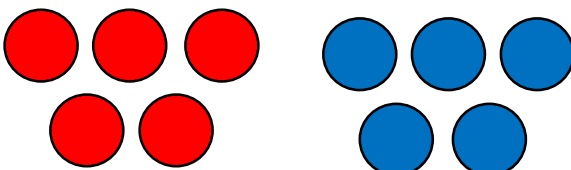

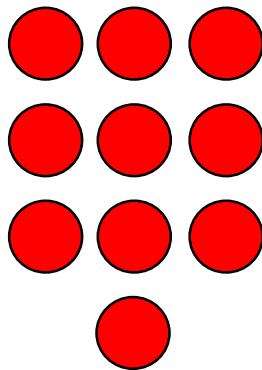

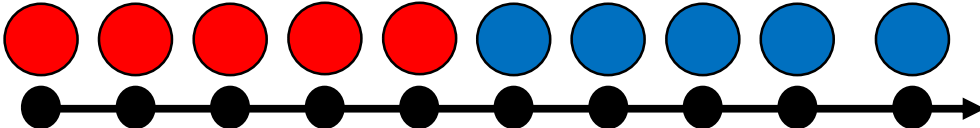

Solve the equation then write the number symbol in the box after the = symbol

$3 + 2 =$	
	
$3 + 2 =$	
	

Learning What is Addition

Use with the Little Wiggler What is Addition video on YouTube

Solve the equation then write the number symbol in the box after the = symbol

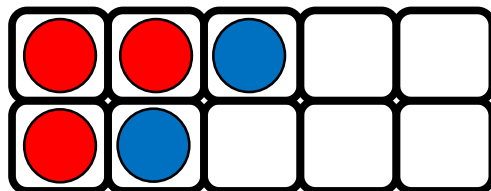

$5 + 5 =$	
	
$5 + 5 =$	
	

Learning What is Addition

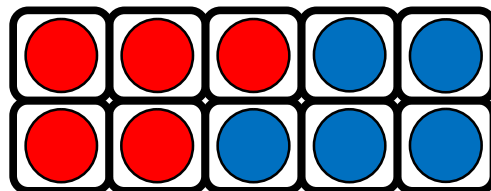

Use with the Little Wiggler What is Addition video on YouTube

Solve the equation then write the number symbol in the box after the = symbol

$$3 + 2 =$$

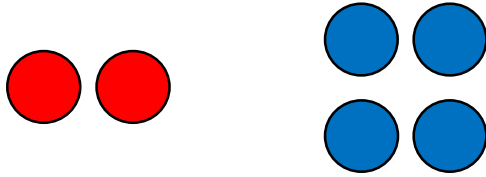

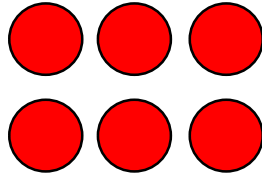

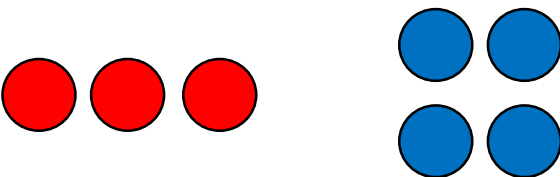

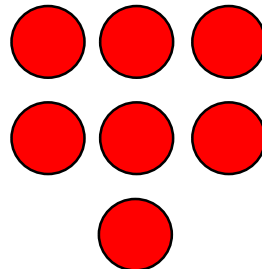

$$5 + 5 =$$

Learning What is Addition

Use with the Little Wiggler What is Addition video on YouTube

Solve the equation then write the number symbol in the box after the = symbol

$2 + 4 =$	
	
$3 + 4 =$	
	

Learning What is Addition

Use with the Little Wiggler What is Addition video on YouTube

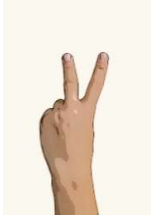

Solve the equation then write the number symbol in the box after the = symbol

$0 + 1 =$	
	
$1 + 1 =$	
 	

Learning What is Addition

Use with the Little Wiggler What is Addition video on YouTube

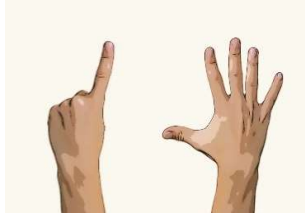

Solve the equation then write the number symbol in the box after the = symbol

$2 + 1 =$	
 	
$2 + 2 =$	
 	

Learning What is Addition

Use with the Little Wiggler What is Addition video on YouTube

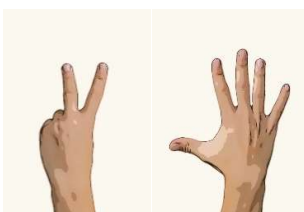

Solve the equation then write the number symbol in the box after the = symbol

$2 + 3 =$	
 	
$3 + 3 =$	
 	

Learning What is Addition

Use with the Little Wiggler What is Addition video on YouTube

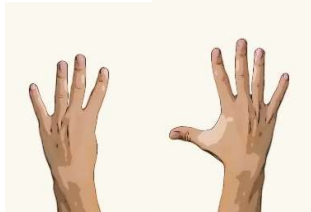

Solve the equation then write the number symbol in the box after the = symbol

$3 + 4 =$	
 	
$4 + 4 =$	
 	

Learning What is Addition

Use with the Little Wiggler What is Addition video on YouTube

Solve the equation then write the number symbol in the box after the = symbol

$4 + 5 =$	
 	
$5 + 5 =$
